The Hon. Allen W. Dulles, Director
Central Intelligence Agency
Washington, D. C.

Dear Mr. Dulles:

You are really a very thoughtful person and I have received today through my friend Bob Hill, the American Ambassador in Mexico, your letter of July 16 as well as the picture, autographed by you, taken when we both spoke before the U. S. Chamber of Commerce.

This will be a very cherished memento and I am deeply grateful for your graciousness in securing this new picture which will replace the one that was damaged. When I go to Washington next, I shall make a personal call to thank you, and may I express the hope that you will find the time to take a short holiday and come to Mexico? We have a lovely country home in Cuernavaca, about 50 miles south of here and you and yours would be more than welcome for a long weekend or longer.

Kindest personal regards.
